Rhythmical Massage Therapy was developed in the 1930s by Ita Wegman, MD and Margarethe Hauschka, MD and continues to be an effective support for many acute and chronic health needs. The **Rhythmical Massage Therapy Association of North America** invites you to our **open house** on **Saturday, October 10, 2020** where we will share our experience with this hands-on therapy and its therapeutic use.

To learn more about Rhythmical Massage Therapy, check out our new website.
